Colors of Fall

Fall is Mango Tango orange
Like a plump pumpkin standing out in the patch
An intimidating football team winning games
And a beautiful decoration making people say 'ooh'

Fall is Maximum yellow
Like a burning sun shining out
A huge squash that's getting cooked
And a small bus rolling down the street

Fall is Scarlet
Like a juicy apple sitting in a tree
A scary costume for Halloween making people scream
And a little leaf floating in the air

Fall makes me feel awesome
