

Colors of Fall

**Fall is Scarlet red**  
**like a burning fire heating the room**  
**a warm hat all soft and fuzzy**  
**and an eye-catching shoe crunching the leaves**

**Fall is Burnt orange**  
**like a long pencil just sharpened and ready to write**  
**a sleek tiger moving swiftly through the jungle**  
**and a fiery ant working with others**

**Fall is maximum yellow**  
**like a round leaf falling to the ground**  
**the sparkling sun lighting up the sky**  
**and a coiling snake slithering on the ground**

Fall makes me feel creative
