## Colors of Fall

**Fall is fuzzy wuzzy brown  
Like an oak tree shaking off its leaves  
a tiny acorn waiting to be picked up  
And crisp leaves blowing away**

**Fall is turquoise blue  
Like a calming lake swaying to one side  
healthy fish jumping out of the ocean  
And a beautiful sky not showing any grey**

**Fall is timber wolf grey  
Like a cute bunny hopping off into the bushes  
foggy clouds ready to rain  
And a hungry squirrel looking for acorns**

Fall is the colors of joy
