

If I Were in Charge of the World

If I were in charge of the world
I'd cancel boring and slow weekdays, disgusting egg salad,
scary doctor and dentist appointments,
and games that are rip offs on all mobile devices

If I were in charge of the world
There'd be a day only for kids with presents and cake,
birthdays would last a week with no school during that time,
and Pokemon would be real so you could catch them

If I were in charge of the world
You wouldn't have annoying brothers,
You wouldn't have mischievous evil cats,
You wouldn't have spooky and creepy ghosts
Or "Don't have a snack until your homework is finished"
You wouldn't even have homework

If I were in charge of the world
A piece of candy would be healthy like veggies,
All Pokemon related things would be educational,
And a person who sometimes forgot to read,
And sometimes forgot to get a snack,
Would still be allowed to be
In charge of the world
