

If I Were in Charge of the World

If I were in charge of the world
I'd cancel vegetables
Spiders, fruits,
and early school mornings

If I were in charge of the world
There'd be longer weekends
Five-month vacations
And sleeping in longer

If I were in charge of the world
You wouldn't have homework
You wouldn't have chores
You wouldn't have school work
Or "don't call your brother names"
You wouldn't even have school every day

If I were in charge of the world
An ice cream could be eaten for breakfast
All vegetables would turn into pizza
And a person who sometimes forgot to make her bed in the morning
And sometimes forgot to put her plate in the sink
Would still be allowed to be
In charge of the world
