

If I Were in Charge if the World

If I were in charge of the world
I'd cancel any kind of shots
Meetings
And needing money to buy things

If I were in charge of the world
There'd be chocolate fountains in every park
More pets
And no parents telling you what to do

If I were in charge of the world
You wouldn't have brothers
You wouldn't have school
You wouldn't have to write things
Or teachers
You wouldn't even have to work

If I were in charge of the world
All kinds of ice cream would be a meal
All kids could have candy for breakfast
And a person who sometimes forgot to turn off their light
And sometimes forgot to brush their hair
Would still be allowed to be
In charge of the world
