

If I Were in Charge of the World

If I were in charge of the world  
I'd cancel soggy cereal  
Homework, pop quizzes  
And world wars

If I were in charge of the world  
There'd be chunkier chipmunks  
Great tasting energy shakes  
And talking robot dogs

If I were in charge of the world  
You wouldn't have flimsy bacon  
You wouldn't have super spicy chili  
You wouldn't have cluttered school binders  
Or "Don't fight with your brothers"  
You wouldn't even have messy school desks

If I were in charge of the world  
A pencil would be edible  
All video games would be free  
And a person who sometimes forgot to clean up his bedroom  
And sometimes forgot to put the toilet seat down  
Would still be allowed to be  
In charge of the world
