

If I Were in Charge of the World

If I were in charge of the world
I'd cancel broccoli
the color brown
And scorpions

If I were in charge of the world
There'd be jetpacks
Miniature ferrets
And more Full House T.V.

If I were in charge of the world
You wouldn't have talk shows
You wouldn't have mirrors
You wouldn't have deadly illnesses
Or "Because I said so"
You wouldn't even have rules

If I were in charge of the world
A spider would be a unicorn
All crayons would be fudge
And a person who sometimes forgot to turn out lights
And sometimes forgot to give things back
Would still be allowed to be
In charge of the world
