If I Were in Charge of the World

If I were in charge of the world
I'd cancel mayonnaise,
brothers, rats,
and homework

If I were in charge of the world
there'd be more cats than dogs,
more candy eaten each day,
and a lot more girls than boys

If I were in charge of the world
you wouldn't have nagging parents
you wouldn't have annoying siblings
you wouldn't have unfriendly animals
or "No, don't you dare touch that, you'll break it!"
You wouldn't even have anything to break

If I were in charge of the world
a learning place would be a chocolate factory
all homework would be candy
and a person who sometimes forgot to put her left sock on,
and sometimes forgot to eat breakfast,
would still be allowed to be
in charge of the world
