

If I Were in Charge of the World

If I were in charge of the world  
I'd cancel school  
Flu shots  
And bullying

If I were in charge of the world  
There'd be brighter colors  
Better sports  
and no hate

If I were in charge of the world  
you wouldn't have to worry about bullies  
you wouldn't have to be afraid to be who you are  
you wouldn't have to go to sleep early  
or be scared that someone doesn't like you  
you wouldn't even have to have siblings

If I were in charge of the world  
a smoothie would be free  
all bullies will go to jail  
and sometimes a person who forgot to walk their dog  
and sometimes forgot to change the cat's litter box  
would still be allowed to be  
in charge of the world
