

My Multi-Verse

I'd like to be a newspaper so I could get updated every time something interesting happens

I'd love to be a Lion so I could have unlimited strength

I'd enjoy being a fish so I could swim elegantly

I'd wish to be an elephant so I could be feared all across Africa

I'd appreciate being a teleporter so I could go anywhere I want

I'd be delighted to be a dragon so I could breathe fire

I'd want to be a God so I would be worshipped

I'd select to be a Wizard so I could be at Hogwarts

I'd imagine being a book so I would never be bored

I'd prefer to be a super hero so I could have super powers

I'd be happy to be a snake so I could move quickly

I'd adore being a cat so I could be warm whenever I want

I'd be amazed to be an ocean so I could hold many secrets

I'd be pleased to be Pegasus so I could lead all the Pegasi

I'd cherish being a car so I could travel faster
