If I Were in Charge of the World

If were in charge of the world  
I'd cancel spiders and snakes  
Critics  
And brothers

If I were charge of the world  
There'd be more books  
More fruits and veggies  
And more days of school

If I were in charge of the world  
You wouldn't have germs  
You wouldn't have bad people  
You wouldn't have mistakes  
Or "don't be mean to your brother"  
You wouldn't even have brothers

If I were in charge of the world  
A rainfall would be candy  
All worries would be great thoughts  
And a person who sometimes forgot to say please and thank you  
And sometimes forgot to be responsible  
Would still be allowed to be  
In charge of the world
