

If I Could Be Anything ...

I'd like to be a slick spider so I could swing on a silk web every day

I'd love to be a lurking hawk so I could fly at great speeds

I'd appreciate being a booming bouncy ball so I can bounce around

I'd desire to be a dazzling star so I could be a part of the constellation

I'd adore being a s'more so I can be a delicious snack

I'd enjoy being an out-of-this world amusement park so I could amaze myself

I'd prefer to be a gnarly dolphin so I can swim around every day

I'd want to be a lightning-quick cheetah so I can run up to crazy speeds like 60-70mph

I'd wish to be a joe cool lizard so I can run on water

I'd select to be a gigantic Blue Whale so I can make a humongous splash

I'd yearn to be a slimy frog so I can jump around

I'd crave to be a jolly walrus so I can use my strong tusks to do many things

I'd dig to be Jarvis Landry so I can be a star wide receiver for my favorite team, the Miami Dolphins

I'd consider being a beastly Tyrannosaurus Rex so I can be a dominant king

I'd die to be a cat so I can have amazing cat-like reflexes
